

Rose Creek NEWS

SEPT - OCT
2022

Dear Rose Creek Families,

Welcome to the 2022-2023 school year! It was a pleasure to see so many parents at Back to School Night! I hope that you had an enjoyable time meeting your child's teacher. We are so lucky to have such great teachers at Rose Creek.

This year, Our Golden Gate Kids Theme is "K.E.Y." (Kindness Empowers You). Students will learn how Kindness is K.E.Y. to their happiness. A University of London psychologist Anat Bardi, who studies value systems says this about kindness: "Research shows that acts of kindness make us feel better and healthier. We are hard-wired to be kind... We prize kindness over any other value. When psychologists lumped values into ten categories and asked people what was more important, benevolence or kindness, kindness came out on top, beating hedonism, having an exciting life, creativity, ambition, tradition, security, obedience, seeking social justice, and seeking power."

Golden Gate Kids is a pro-social program that empowers students to connect with peers and school through pro-social behaviors such as kindness, inclusion, positivity, and empathy. The hands-on approach instructs students in the various attitudes, perspectives, and soft skills needed to help strengthen interpersonal relationships.

Sincerely,
Mrs. Egan

INTRODUCING MR. DAVENPORT

My name is Mr. Davenport. I am the new Assistant Principal at Rose Creek Elementary. I wanted to tell you a little bit about myself.

My wife and I are proud parents of two amazing children. I love doing anything outdoors with my family and friends. I am passionate about sports like golf, basketball, football, tennis, pickleball, etc.

Being in education is extremely rewarding for me. I love seeing students grow and learn to love school. Before being an administrator, I had the privilege of teaching 3rd and 4th grade in the Granite School District.

I am really excited to be at Rose Creek Elementary and have already seen how amazing it is! I look forward to getting to know you all and being part of such a great community.
